

Peer Learning Circle for Executive Directors

Nonprofit Executive Directors meet every 6 weeks from September to June in facilitated, confidential and closed peer discussion groups of 6-10 people to address common challenges, exchange ideas and share solutions.

Join a Peer Learning Circle and take the opportunity to develop stronger ties with other nonprofit leaders in order to establish a network of peers to confide in, depend on, support and grow with.

Peer Learning Circles can help you:

- * Network with colleagues who face similar challenges and opportunities
- * Experiment with new ideas before "taking them public"
- * Achieve personal goals
- * Keep up with developments in your field
- * Get support and coaching from peers
- * Take action and learn
